

# CAPSURE™

Portable Color Measurement Device Lets You Confidently Match Color to Almost Any Surface, Material or Fabric – Instantly!

Capsure lets you identify the colors that inspire you and match PANTONE colors wherever you go. Design ideas can strike at any time. Now you can capture the colors you need from all of the PANTONE Color Libraries when it does.

## Highlights

- Stores up to 100 color captures
- Extracts, displays and matches up to four dominant colors from an intricate pattern
- Cross-matches any material or surface
- Easily integrates captured colors into your design programs - Adobe® Creative Suite® and QuarkXPress®
- Annotates colors captures with a voice recording and time-and-date stamp
- Allows you to create palettes of favorite shades or customize palettes for specific projects
- Comes preloaded with more than 8,000 PANTONE Colors – and automatically updates your stored color libraries
  - ✓ The PANTONE FASHION + HOME Color System Library (paper and cotton) for fashion and home
  - ✓ The PANTONE PAINT + INTERIORS Library (paper and cotton) for architecture and interiors
  - ✓ The PANTONE PLUS SERIES Formula Guide (coated and uncoated), the PANTONE PLUS SERIES CMYK (coated and uncoated) and the PANTONE Goe™ System (coated and uncoated) for graphic design, printing and publishing (includes sRGB, Adobe RGB, HTML, Lab and XYZ values for multimedia design)

## Features

- Advanced image capture technology provides unsurpassed accuracy
- Large 1.75 inch-color viewing screen
- Compact and lightweight, yet rugged
- Powered by a lightweight rechargeable lithium battery - lasts for thousands of measurements on a single charge
- Includes protective carry pouch, wrist strap, USB cable, Palette Application Software and quick-start guide
